SENTRY DOORS

Certification Portfolio

Confidence in Compliance

We offer the most robust certification on the market that is designed to offer peace of mind. To provide assurance of the design, quality, and performance of our doorsets, we are accredited under the BM TRADA Q-Mark Fire Door Manufacture, BM TRADA Q-Mark Enhanced Security, BM TRADA UKCA and Certifire schemes, allowing us to manufacture fully compliant doorsets. Our field of applications are written to bring together Primary Testing and to provide us with the scope to manufacturer our products in a range of bespoke sizes & configurations, catering to your fire door needs.

This, together with continued investment in product development and testing, enables us to offer a wide range of certified fire doorsets tailored to your exacting project requirements, giving you complete confidence in compliance.

We pride ourselves on continually demonstrating commitment to the highest standards of construction practice. Evidence can be found in the certification and accreditations we hold.

BM TRADA Q-Mark Fire Door Manufacturer: Fire Door Scheme to BS 476: Part 22 or BS EN 1634-1
BM TRADA Q-Mark Enhanced Security Doorset to PAS 24:2016 and BS 644:2012 Timber
Secured by Design (SBD)
Certifire
Constructionline Silver Member
Lloyd's Register: ISO 9001:2015: Quality Management System
BS EN 1634-3: 2004: Smoke Control Test for Door and Shutter Assemblies
UKCA: Certificate of Constancy of Performance
Made in Britain

BM TRADA Q-Mark: Fire Door Manufacturer: Fire Door Scheme to BS 476: Part 22 or BS EN 1634-1

BM TRADA Q-Mark Fire Door Manufacturer scheme provides reassurance that our fire doors are fit for purpose through on-going compliance to the original product specification. This provides peace of mind that the products are manufactured to a consistent quality through independent verification by a third-party certification body.

View Certificate

BM TRADA Q-Mark Enhanced Security Doorset to PAS 24:2022 and BS 644:2012 Timber

The Q-Mark Enhanced Security Doorset certification scheme provides reassurance that our doorsets are consistently manufactured to a high quality that will satisfy the standards of Secured by Design. We hold the Enhanced Security Doorset scheme for both our FD30 and FD60 fire doorsets. We are one of the few companies nationally to have achieved dual certification for both BM TRADA Q-Mark Fire Door Manufacturer and Enhanced Security.

View Certificate

Secured by Design (SBD)

Secured by Design (SBD) is the official police security initiative that works to improve the security of a building and its immediate surroundings to provide safe places to live, work, shop, and visit. The SBD product-based accreditation scheme provides a recognised standard for all security products that can deter and reduce crime.

View Certificate

Certifire

Certifire is an independent third-party passive fire product certification scheme that assures performance, quality, reliability and traceability of products and systems. The mark provides customers with confidence in our products, as choosing a fire door that carries such a reputable third-party certification gives assurance as to our product's performance.

View Certificate

Constructionline Silver Member

Constructionline aims to help its members simplify procurement tasks, reduce risks, and keep pace with legislation. Achieving a Silver membership demonstrates our ongoing assessment and commitment to providing confidence for our customers. The membership helps connect us to buyers and keeps us up to date with relevant industry quality standards.

View Certificate

Lloyd's Register: ISO 9001:2015: Quality Management System

The highly recognised quality management system ISO 9001 is a clearly defined set of business processes, outlining our businesses commitment to creating products and services in accordance with pre-defined standards.

View Certificate

BS EN 1634-3: 2004: Smoke Control Test for Door and Shutter Assemblies

BS EN 1634-3: 2004 is the fire resistance and smoke control tests for door and shutter assemblies, openable windows, and elements of buildings hardware. We have conducted this test to demonstrate that our fire doorsets are smoke resistant and conform to the performance characteristics as outlined by the test.

View Certificate

UKCA: Certificate of Constancy of Performance

The UKCA (UK Conformity Assessment marking is the new product marking for UK products. We were the first fire and security doorset manufacturer to hold the new UKCA mark for our External Flat Entrance doorsets. This certification confirms that our external fire doorsets are compliant with the new industry regulations and that we can manufacture and sell our products under the UKCA marking.

View Certificate

Made in Britain

As the only official protected mark that certifies a product is made in Britain, the mark gives confidence to buyers that we are a trusted transparent manufacturer. We are proud to have gained the official 'Made in Britain' membership. The mark offers a great opportunity to showcase our products and provides networking opportunities with the Made in Britain community for a collaborative approach to UK manufacturing.
